World Education Services is pleased to provide you with the enclosed credential evaluation report
(Reference No: 3275215).

A WES evaluation report reflects our expertise in international education systems and our best judgment of your academic qualifications. WES evaluates formal academic qualifications (degrees, diplomas, certificates and transcripts) awarded by secondary and post-secondary institutions. WES does not evaluate trade, occupational or industrial qualifications therefore they are not included in our evaluation reports.

Your WES evaluation report has also been sent to the recipient(s) listed below. Copies of verified academic records used in the evaluation are also sent to academic institutions and professional licensing bodies selected as recipients.

Your evaluation report is stored and available for future use. Please visit applications.wes.org/createaccount/login/login/ to order duplicate reports.

Please contact the Director of Evaluations in writing if you have any questions. To protect your privacy, WES staff cannot discuss evaluations over the telephone.
